ABOUT GMAD

Green Mountain Animal Defenders (GMAD) is Vermont's largest volunteer run 501(c)(3) non-profit animal advocacy organization.

Believing that all animals have intrinsic value and are worthy of protection, we use our statewide network to help animals of all species.

Since 1983, we have been accomplishing this mission by:

- Maintaining a volunteer-run organization which allows donated funds to more directly benefit animals.
- Educating the public through outreach efforts, media relations campaigns, and other special events.
- Incorporating a unique internship program that captures the energy and enthusiasm of students and trains them to become effective animal protection advocates.
- Sponsoring spay / neuter programs.
- Maintaining a foster care network.
- Managing and activating a grass roots network of animal protection advocates throughout the state to support animal protection policies.
- Organizing rescue and transportation services for animals, including wildlife.
- Sponsoring the Vermont Animal Cruelty Response System's toll-free number for reporting abuse, finding low-cost spay / neuter, and connecting with wildlife rescue resources: **1-877-9 HUMANE**
